

Perfect Scoundrels (Heist Society)

Katarina Bishop and W.W. Hale the Fifth were born to lead very different lives - her family are criminal masterminds, while he comes from an apparently perfect dynasty. But both families know how to stay under the radar while getting - or stealing - whatever they want. When Hale unexpectedly inherits his grandmothers billion-dollar corporation, he quickly learns that there's no place for Kat and their old heists in his new role. But Kat won't let him go that easily, especially after she is tipped off about an elaborate con to steal the company's fortune. Instead of being the heir, this time Hale might be the mark. Kat is prepared to do the impossible, but first she has to decide. Is she willing to save her boyfriend's company if it means losing the boy?
